Jamestown House

A 6-Hour Class suitable for all skill levels.

Finished size: 8" x 10"

Come to class and have fun appliqueing this cute wool house. Learn how to make templates and a placement overlay, and how to fuse (or glue) and stitch your wool applique shapes.

The pattern for the small quilt (above) is included in the class. You can make it as a stand-alone project or add it to the larger quilt (below) that is in the book, *Wool Applique The Piece O' Cake Way*.

Shopping for wool:

I like the wool, wool thread, and glue stick from In The Patch. If you would like to shop wool and other supplies before class, you can find them online at www.pieceocake.com.

You can choose wool, cotton, cotton/linen, or linen for your background. It is a very good idea to prewash any non-wool fabrics before class. They will fuse better. It is not necessary to prewash felted wool.
